Islamists taking the pulse?

On the threshold of a commanding majority in Parliament, Islamists are beginning to manifest their political and ideological influence, sending alarming messages to whom they may concern.

As FJP leader, Ahmed Abou El-Nasr, discerns countless moves. The situation gains, he has, recently, calledısı on the Ministry of Defense and its allies in the parliament to express their concerns to the government in the context of the political changes that are taking place in the country. The FJP has called for a meeting with the government to discuss the situation and express its concerns.

On Tuesday, the FJP's Security Council held a meeting with the Ministry of Defense and the Ministry of Interior to discuss the situation. The FJP has called for a meeting with the government to discuss the situation and express its concerns.

Affirming the need to return to the nation's roots, the FJP has called for a meeting with the government to discuss the situation and express its concerns.

According to the FJP, the country needs a strong leader to lead the country towards a stable and prosperous future. The FJP has called for a meeting with the government to discuss the situation and express its concerns.

Travelling to the United States, the FJP has called for a meeting with the government to discuss the situation and express its concerns.
